

Coupe Green  
Primary School

H O G H T O N

8<sup>th</sup> October 2021

Dear Parents/Carers,

We have reached the end of another great week in school. The children have been busy demonstrating their artistic skills whilst creating Christmas cards. I would like to thank Friends of Coupe Green, and specifically Miss MacCarthy, for organising this activity once again for the children. We look forward to seeing the finished cards in the coming weeks.

Ash Classroom works are progressing brilliantly. This week, we have seen colour added to the walls and the flooring take shape. The new space is fantastic and we are very excited to reveal it to the children soon.

Next week, I begin my maternity leave, so would like to take the opportunity to celebrate how wonderful the children are in our special little school. I have been so proud to see the children return to school so maturely, demonstrating positive attitudes to learning and supporting each other as great friends. School has begun to return to normal and that has been truly wonderful to see.

There is so much to look forward to this year, now that restrictions have eased, and I know the children will thoroughly enjoy the events and activities to come.

I would also like to thank the amazing staff who have helped the children to adjust so well throughout the pandemic and as they have returned to school. I know that this year will be a great success due to the dedication and hard work of all the staff that make Coupe Green so wonderful.

I hope that you all have a fantastic year and I look forward to seeing how much progress the children and school has made when I return in July.

Yours sincerely,

*Mrs J Littlewood*

Headteacher
